RHEINMETALL
ZEPPELIN MOBILE SYSTEME

Headquarter Meckenbeuren

Zeppelin Heritage

In July 1900, the first Zeppelin airship started. As a direct result of the Zeppelin activities and the airship construction, more than 50 firms have been established over the years.

Today, Zeppelin airships are again manufactured at Lake Constance.

Zeppelin Heritage

Development and production of the first Zeppelin-Shelters in the 1960s and 1970s.

1990 establishment of an independent Shelter division called Zeppelin Mobile Systems.

Production Today

**HIGHEST QUALITY IN SHELTER
PRODUCTION AS A RESULT OF EXPERIENCE AND
MODERN PRODUCTION CAPABILITIES.**
